Llongyfarchiadau!
Congratulations!

You have made an amazing decision for your child's future, you are truly One in a Million!

Did you know?

The Welsh government have set themselves a goal of reaching

a million
Welsh speakers
by 2050

and your child will be part of that superb success

How about being a part of this national goal yourself?

At Learn Welsh North East we have a variety of courses from beginners levels right through to advanced. If you're looking to brush up your Welsh skills, re-build your confidence or looking to start your language journey, then please get in touch.
